

Our program is for:

People with developmental or physical disabilities who are living at home or in the community and require supervision and care during the daytime when their primary caregiver is away

Disabled or handicapped adults who are home bound and have no place to attend to develop or support their social, recreational needs and lifeskills development

Caregivers of all ages who require a break from their duties (respite)

Community agencies who are searching for social group events for their clients

Our facility & capacity

Our facility is approximately 1900 sq ft and is located in Lorne Park area. This location is wheel chair accessible. Transportation and meals will be provided. Our service boundaries extend to the population living within the surrounding areas or within acceptable commuting distance from the program location. We can accommodate up to 20 full time participants on a daily basis. Services are available Monday to Sunday from 8 am until 8 pm.
